

# VIP Sandhill Crane Viewing Blind Experience

Donated by Rowe Sanctuary and Dorothy Chung-Javorsky

This package is for four admissions to Rowe Sanctuary's viewing blinds, which are strategically placed along the Platte River to provide excellent views of the Sandhill Cranes while they are on their river roost. These four reservations may be scheduled during premium viewing times during the 2017 crane migration season. Winners will also receive two complimentary rooms at a hotel in the Kearney area, and a prize package featuring Michael Forsberg's *On Ancient Wings* book; a hand-carved, decorated walking stick; four beautiful crane mugs; and two unique bird houses.

Viewings are scheduled at sunrise or sunset during March and early April, last approximately two hours, and are led by trained

guides. This up-close look at one of the world's greatest wildlife spectacles is a Must-See for any outdoor enthusiast!

Winning bidder will schedule their reservation by contacting Kent Skaggs at Rowe Sanctuary, and must be made prior to Jan. 1, 2017, to be guaranteed.
