

Birds and Brunch with "The Birdnerd"

Donated by Jason St. Sauver & Glynnis Collins

This package is a Sign-Up, open to the first 8 bidders!

Spring Creek Prairie Audubon Center's education programs are designed and led by Community Education Director Jason St. Sauver, AKA "The Birdnerd." Glynnis Collins is our center director.

Birds and Brunch with "The Birdnerd" is a two-hour morning bird walk at Spring Creek Prairie Audubon Center, followed by brunch in the visitor center.

Jason will be your guide for an engaging tour of the various bird habitats Spring Creek Prairie has to offer. In addition to bird sightings, you will learn the plants, animals, and history of our 850-acre tallgrass prairie preserve. Participants will likely see and hear many kinds of birds, including Brown Thrashers, Meadowlarks, and Grasshopper Sparrows during the 1.5 mile stroll.

Following the walk, Glynnis will provide a home-cooked brunch (including mimosas).

This package is available for up to 8 people.
