*Cuddle up with a great, creative, one of a kind quilt from local artist Cindy Doné! Seventeen years ago she became addicted to quilting and enjoys this avocation in all of her leisure time.*

*Cindy creates one quilt per week. Each quilt is unique, hand quilted, photographed and catalogued for future reference. They are all machine washable and dryable. These hand-stitched patchwork quilts feature a block pattern and a Polartec backing for superior warmth and comfort. This is quilt # 953, and the first person to sleep under a new quilt – their dreams come true!*
