

# Framed Textiles Wall Art Trio

**Crafted and Donated by Chris Taylor**

Chris is a talented mixed-media artist whose work masters carefully detailed sewing patterns, unique ornamentation, and careful attention to detail. She crafted a quilted piece, “A Breeze,” specifically for the Spring Creek Prairie Audubon Center auction. Her donation also includes a set of three handcrafted, one-of-a-kind postcards.

Thank you to Chris for her support of Spring Creek Prairie Audubon Center!
